Marian Fucks her diving Instructor Marian Fucks The Refresher

Course Instructor

The Instructor took one look at Marian in her lace lingerie she had worn for the refresher course she had to do before she could do her first Adult Only Milf Scuba Skank sex film with John for his son's adult production company on behalf of a web site that specialised in underwater porn. Their scene was going to be filmed out here in the Greek islands.

'Is that how you always go scuba diving Marian?' Mark the Instructor asked standing by the Villa's pool in just a pair of speedos the diving gear lined up beside him.

'No I normally go nude as it means it is easier to fuck my scuba

partner be it either John or his son my step son Gareth who are also naked or I might wear stockings and suspenders!' Marian replied as she stripped off her bra and panties.

They put on the diving equipment and got in to the pool were they were soon swimming around in the deep end before resting on the bottom. Marian then positioned her self so that they share a kiss having both taken their mouth pieces out then as she reaches in to his speedos and rubs Mark's big cock.

Soon Marian is pulling down Mark's speedo's and giving Mark a underwater blow job soon Marian quickened her sucking as he

rubbed her pussy lips.

Anticipating that he was going to shove his finger into her pussy she pushed against his hand and continued to suck wildly. Mark soon inserted his third, and then fourth finger into her pussy and started to finger fuck her pussy. As Marian sucked on her instructors cock and he finger fucked her pussy Marian started to violently buck this time so hard that the instructors cock literally popped out of Marian's mouth. Causing her to grab it with both her hands wanking it two handed before Marian shoves it back into her mouth.

Marian lowered her head and proceeded to lick not only his shaft and balls but also his ass.

After a short time of Marian sucking and licking Mark's shaft, his balls, and his ass, plus mark finger fucking Marian they start fucking on the bottom of the Villa's pool starting off Missionary Marian having removed her air tank which floated beside her then they switched to doggy and cow girl before moving out of the pool taking off his air tank and Marian having put hers back on also removed her and moved to fucking to the Patio Marian bent over the table being fucked hard up her ass screaming

madly has he pounded her ass and fingers her soaking wet cunt.

While Marian was being fucked her refresher course instructor John who had come back from the resort stood on the bedroom balcony over looking Marian wanking hard as he perved on her being fucked.

Marian's screams soon proved to be too much for the instructor and with a moan so they returned to the pool and Marian still in her stocking's and suspenders submerged and returned to giving Mark a underwater blow job. Mark soon pumped his

thick cock custard deep into Marian's throat which she
swallowed. As he climaxes Marian continued to work his shaft
with her hands. Pumping his monster cock up and down, up
and down milking him dry.

Story 3

Marian's Beef Snorkels

Marian was resting on the side of the Villa's pool her step son having gone off with his god mother for a threesome with his god father at the resort. Marian was wearing a thin white t-shirt that even when not wet was sheer Marian also wore black suspenders, black sheer stockings and black cum stained panties some of the cock custard was still wet as John had only jacked off in to them after breakfast. As she sat there she was fitting her new snorkel to her diving mask to test out ready for when her step son comes over next week so she can do some aqua fucking with him in the pool and out in the sea as well as

off the near by private beach that belonged to the villa. As she connected up the clips to her dive mask John and two of the resorts diving instructors came up from the beach the two males having anchored off the beach and swam ashore to be met by John in shorts and t-shirts both the two males from the resort wore only wet t-shirts their cock swinging freely like clock pendulums as they walked.

'Lover here are the two males I promised to get for your aqua fuck threesome as I have to go to work!' John remarked.

He kisses his 2nd wife on the cheek and added to the two

males 'My slut 2nd wife is all yours!'

Then he walked back in to the Villa to dress then head to the resort on his day off as there had been a incident.

Tom looked at Marian who he had fucked on many a time while at the resort took the mask and snorkel off Marian 'Marian you wont need this today we have meat snorkels for you to use in the pool!' Then turning to Mark.

Tom added 'Mark show Marian what she is going to use today!'

Tom removed his wet t-shirt and then offered Marian his limp cock.

'Marian the first beef snorkel needs to be made ready!'

Marian smiled and then pulled Mark closer to her and started sucking and wanking his limp cock.

As she wanked Mark Tom removed his wet t-shirt only and placed her other hand on his semi erect cock. Marian then sucks Marks cock while handing off Tom, then she swaps them around and sucks Tom's cock while wanking Mark's cock.

After a while Marian stopped 'Wait there I'm sucking on these two big fucking cocks but to be snorkelling on these fucking beef snorkels I should be under fucking water otherwise all I am

doing is giving you two a fucking blow job!" Marian remarked.

Tom, Mark and Marian then slipped in to the pool both Mark and Tom in their birthday suit and swam to the middle of the pool where Marian submerged and started sucking on the cocks again.

Has Marian alternates between the two males the two owners of the cocks manage to get Marian's t-shirt off, then has she gives Tom a blow job Mark manages to pull off Marian's cum stained panties and starts eating her furry triangle also underwater.

Mark then surfaces and Tom submerges and eats Marian's wet
fur burger while she sucks on Marks cock then she swaps again
between the two males so that as Marian sucks on Tom's cock
while Mark having inserted his own cock in to her bucket cunt
spit roast Marian.

This carried on for almost three quarters of an hour Marian
surfacing for air before going back underwater, then both males
submerged and she was fucked up the arse and cunt at the
same time in a underwater double penetration but this did not
last long as both males were soon ready to cum and by know

they had been rejoined by John who had decided not to go in to work as his deputy was dealing with the incident and any way today was supposed to be his day off. John once back at the villa strips off then puts on a pair of his wife's black fishnet stockings and blue suspender belt and made his way back to the pool where he dived.

As John dived in both Tom and Mark moan then start pumping their creamy cock custard in to the pool as Marian hands them off like an expert whore.

After they had finished cumming Mark and Tom then surfaced and

collecting their t-shirts headed back for the beach and their anchored boat to return to the resort and a afternoon lesson with a group of blond 21 year old females from Sweden.
